### **Exploring shipping** and logistics in-depth

The maritime sector is growing at a phenomenal rate. This has led to the creation of lucrative jobs for young people around the world. In Goa, MES College in Zuarinagar, offers a shipping and logistics course that prepares students for this industry. NT KURIOCITY gets you details

MARIA FERNANDES
NT KURIOCITY

MARIA FERNANDES

NT KURIOCITY

The shipping and logistics sector is thriving, and it is fast becoming an area of interest for a new generation of college graduates. From retail to handling shipping, distribution, warehousing, and quick deliveries to customers, the opportunities in the field are many. With the unprecedented growth in the maritime sector, the Job openings too have increased. The problem loss on hower increased. The problem loss on hower increased the problem to handle on-shore jobs. Hence the need of the hour is to meet this demand for trained manpower by giving them suitable education and development. MES College, Lallia fobst. To bridge the gap between the demand for skilled youth and Jobs and abley, Murgano Education society's MES College of Arts and Commercial Zuarinagar offers a unique degrecalled BBA in Shipping and Logist. Started in the year 2009 it was selected under the 'Industry Related Innovation Programme's scheme of the University Grants Commission (UGC). "It is the only undergraduate programme in India which addresses the commercial and managerals lide of the shipping and Logist. It is the only undergraduate programme in the sector. The course provides training and Job opportunities in the sector. The course provides training and Job opportunities equally to both boys and girls, adds Josht.
What is this course all about?

adds Joshi.

What is this course all about?

What is those course all about?

Spanduate course preparing students to handle office /shore based Jobs in the logistics and shipping industry the logistics and shipping industry.

"It is an in-depth course imparting basic shipping knowledge and covers a wide range of subjects like shipping law, supply chain, material handling, customs, marine insurance, at cargo, logistics, economics of shipping, etc. which help students gain a strong foundation of shipping concepts, says senior executive- customer ser-

vice and documentation for a leading shipping line. Siddhi Sardesal. In the light of emenging international trade, this course would be useful for anyone who wants to understand the process of shipping and logistics and pursue a career in the field. Course-coordinator of the college Semele Sardesal adds: 'Il provides a right mbature of theory and practical experience helping students be Industry ready. The course also emphastes on grooming, communication, and soft skill trinking which are of vital importance for a global industry like shipping and logistics. MES is one of handful colleges in India offering a full time degree course in Set.

The three-year course not only gear students with theoretical knowledge, but also includes compulsory international trades of the students with theoretical knowledge, but also includes compulsory international trades and the students with the cortical knowledge, but also includes compulsory international trades and the students of the students with the course designed by experts from the shipping industry. Proprietor of Ericson and Richards (Goa), Captain Eddie Viegas, who was a part of the team that was instrumental in the course design says: Earlier we found there was a dire need for trained satisfaction and the shipping industry. Proprietor of Ericson and Richards (Goa), Captain Eddie Viegas, who was a part of the course design says: Earlier we found there was a dire need for trained satisfaction shill development of students with concentration on practical subjects involving procedures and practices of the industry. Thereby when these students would Join the Industry they would have some knowledge in the properties of the industry. Thereby when these students would Join the Industry they would have some knowledge in the properties of the industry. Thereby when there is the properties of the industry. Thereby when there is the properties and practices of the industry. Thereby when these students would Join the Industry they would have some knowledge and would the best req

and understanding of shipping and logistics. Interaction with visiting faculy, Invited guest speakers, and specialists from the industry assists students to widen their Information has and gain new and interesting linstylms. Site visits too add to this learning process. Chetra Trehon, a visiting faculty who teaches customs, maritime law, chartering and logistics at the college says: The subjects have been very judiclously stoke the college says: The subjects have been very judiclously stoke to the industry requirement. The knowledge gained through these subjects a given the subjects and the procedures, and helps them devolop a better understanding of the laws, procedures, and which goes the factor of the fa

easier to understand what the In-dustry is all about Besides the core subjects we also learn about Goan herlinge, creative thinking, oral communication, and more? What is the eligibility? Any student who has passed Class XII (HSSC) of any stream (Arts, Sci-ence, Commerce, or vocational) from a recognised board is eligible to apply. This is followed by an en-trance exam where candidates are assessed on their English, math-ematics, logical reasoning, and data analysis.

analysis. What are the Job prospects after the

analysis. What are the job prospects after the course? Shipping and Logistics is a generic term and there are various sub sectors in it, namely-containers/shipping lines; freight forwarding, shipmanning and crewing agencies, customs house agency, air cargo. Export Oriented Units (EUI) Chareting, marine insurance, ship agency, CSF yard operators, etc.

After completing the BIBA degree in Shipping entered industries such as: Government departments like customs, ports, railways, defence, Shipping Corporation of India, etc.

Tobs are also awdaled at elt cargo, shipping and logistics companies and multitantional companies. The graduates are also absorbed by clearing, forwarding and steveloring agencies.

"One can opt for any of these sectors."

clearing, forwarding and stevedoring agencies

"One can opt for any of these sectors and choose a profile depending on one's interest/skills. For example, customer service, sales, pricing, operations, logistics, documentation, etterera, informs Salgaonkar. In Goa, the starting salaries are approximately 10.15k for freshers but places like Munbal/Chennal offer higher packages. The general trend in shipping is to hire at a lower salary, but it offerst tremendous scope for growth once you have a few years of experience. Needless to say, salary depends upon individual caliber, she adds. Speaking about how the course has helped him, shipping and logistics. helped him, shipping and logistics graduate Sagar Srivastava, who has en working with a renowned in-

pm to 5 pm. Interested participants should register
their names on or before September 23, at the Directorate of Museum office, between 10 am to 5 pm.

### Tribute to Nobel laureate Morrison

PANJIM: The Department of English, MES College of Arts and Commerce organised a tribute to Toni Morrison, a Nobel laureate recognised for Afro-American writing and notable works, recently. Dr Sandhya Shandare, HoD of the department, paid tribute to Morrison by garlanding a portrait of the author, sketched by Vailanka D'Cruz. The faculty and the students ilt candles in the honour of the departed soul. The speakers for this memorial were the students of TY BA Literature in English Mayuri Halarnekar, Jyot Jamingappnavar, Damini Mane, Jude Fernandes, Sylvia D'Costa and Fatima Kirtur. Dr Sandhya appreciated the effort of the faculty and students to pay homage to the writer who is very close to everyone's heart, being part of the prescribed syllabus. "Such a programme can create not only an awareness about the writer's contribution to art, but also identification with the fortitude with which she stood for the human rights," she said. Earlier, Assist Prof Michelle D'Mello welcomed and introduced the purpose of the event, which was to pay respects to the memory of Toni Morrison, an Afro-American Writer who breathed her last in August. The programme was attended by the faculty of the English Department and by the students of English Literature.

### Career guidance talk

Career Guidance Cell of MES College of Arts and Commerce, Zuarinagar — Goa organised a talk on the topic 'Career options in Changing World Scenario at the M. S. Kamat Seminar Hall of MES College. The resource person for the talk was Prin. Bhaskar G. Nayak. Ex. Director of Higher Education. Principal Dr R B Patil welcomed the gathering. The talk was attended by 8B students of BCOM Semester III and V Principal Bhaskar G. Nayak in his address highlighted on the career opportunities created by Globalised world. He stated that we live in a competitive world where various options are available in different fields. Earlier career choices were less due limited availability of options and education il-lowever today's generation has ample of choices to shape their career Students also have the access to career counselors and internet to gain proper guidance.

He said Career planning is a process where you first do Self-Assessment based on your interest, personality, skills, strengths, lifestyle and work values. The Family environment and financial status must also be taken into consideration while choosing a career. He further presented different career options for the students with illustrations.

The talk was followed by question and answer costion where the career options.

The talk was followed by question and answer session where students raised various queries which were promptly answered by the guest speaker.

### MES College of Arts and Commerce holds talk on **Energy Conservation**

The third lecture of the Kasturi series of lecture was held on September 11, 2019. The speaker was Apurva Apte, an energy auditor from the NCO Shuthankar environment services. Her talk spoke about how each individual could be an energy.

Her talk spoke about how each individual could be an energy champion.

She gave an overview of the various sources of energy and also highlighted the energy requirements of the state and how the requirement is fulfilled. The attendees were asked to carry their electricity talks with them. Through her talk, Apte explained the termicology in the electricity bill. She pointed out ways in which individuals can effectively use energy as well as conserve it. The talk was followed by an interactive session wherein the attendees raced their doubts about various aspects of energy conservation in day-to-day activities. The attendees included students and staff of the college as well as general public from in and around Vasco.

### Goa hosts the first International Tiatr Convention

Tomazinho Cardozo

**Vincy Quadros** 

Fr Dominic Alvares

PANJIM: The first international tiatr convention organised by Kala Niketan, Majorda in association with the Department of Art and Culture and Ravindra Bhavan, Margao, was inaugurated by former Chief Minister Digambar Kamat.

The day-long event was sup-ported by Kuwait Konknni Kendr, Abu Dhabi Goans, Dalgado Konknni Academy, Kuwait Goa Tiatristanchi Sonystha and Invictus Films, USA

At the onset, Valency D'Souza gave a brief account of Lucasinho Ribeiro, who worked towards staging the first tlatr 'Italian Bhurgo', followed by Pai Tiatrist Joao Agostinho Fernandes, who later

took tiatr to greater heights.

To make the convention more meaningful, there were four sessions lined up, which deliberated upon Tiatr Kal', Tiatr Aiz', Tiatr Faleam' and Tiatr: Lokak Kitem Zai'. The panelists included Tomazinho Cardozo, Fr Dominic Alvares, Agnelo de Borim, Cosma Fernandes, Fr Ave Maria Afonso, Dominic Araujo, Kennedy Afonso and Vincy Quadros. The moderators were Andre Rafael Fernandes, Pradeep Nalk, Mario Menezes and Fr Luis Come

For their contribution towards tiatr, including the research work carried out and the PhD holders in tiatr, Anthony Veronica Fernandes, Rising Club of Sanvorcotto, Cosma Fernandes and Andre Rafael Fer-

nandes were awarded the Ratna and Tiatr Bushan Awards respec-

The two sessions also carried rendition of songs by noted singers Anthony San, Mini Mario, Scully D'Souza, Nerissa Cardozo, Agnelo de Dabolim, Lourdes and others. Four books, namely 'Korpam,' Omor Mog', 'Sao Joao' and 'Dhanv Baba Dhanv' penned by Michael Gracias were released on the occasion. Avito Pires, Meena Goes and Tancia Pires assisted in the compering.

Apart from the tiatr fraternity,

students from different institutions and colleges across Goa partici-pated in the convention, thus gaining in-depth knowledge about tiatr.

Working president, Chitra Afo

### एमईएस वास्को : उत्कृष्ट

'पेडॅगोजी' (अध्यापनशास्त्र) हा शब्द दिशा अध्ययनासाठी खूपच महत्त्वाचा असतो. अध्यास करण्याची किंवा करून घेष्णाची पद्धत म्हणजे 'पेडॅगोजी' ऋषीमुनीच्या काळापासून आपल्या देशात 'गुरुकुल' पद्धतीने अभ्यास करून घेतला जात असे.

अठराच्या शतकात इग्रज हिंदुस्तानात आले आणि त्यांनी भारताची गुरुकूल ही शिक्षण पद्धती मुळातुनच बदलून टाकण्याचा प्रयत्न केला. गुरुकुल पद्धतीमध्ये गुरु स्वतः शिष्याच्या अनेक परीक्षा घेतः विद्यार्थी नेमका कोणत्या विश्वयात पारंगत हो ऊ शकतो, याचा नेमका अदाज पुरु घेत व त्याच विषयात त्यांना पारगत करत असत गुरुवाल पद्धतीमध्ये गुरू शिष्पाच्या विविध प्रकारच्या तसेव विविध पद्धतीने परीका येत असत जसा अर्जुन धनुर्धर झाला, भीम गदयुद्धात पारंगत झाला. त्या काळात झानाला महत्त्व होते. ते करो आत्मसात

करिअर गाईड

ॲड. शैलेश कुलकर्णी, फोडा (७८७५४४५३९९) kulkarnishailesh74@gmail.com

करायचे याचीही विशिष्ठ पदली होती. इंग्रजांनी ही भारतीयांची गुरुकुल पद्धती उध्यस्त केली आणि पुढे भारतात शिक्षण पद्धतीचा बाजार झाला हल्लीच्या काळात 'डिग्री' सटीफिकेट मिकविष्यासाठी शिक्षण घेतले जाते व विद्यार्थी 'साकर' होतो. पण सुत्रिक्तित होण्यासाठी त्याला खूप वेळ लागतो. काही विकाणी उमेदवाराला कौशल्ये शिकावी लागतात आणि त्या कौशल्यावरच त्याला

चागली नोकरी मिळते आणि टिकते सुद्धा एमबीए आणि बीबीए हे असे अध्यासक्रम आहेत, ज्यामधून उत्तीर्ण झालेले विद्यार्थी त्यांच्या सॉफ्ट रिकल्सच्या जोरावर कारकिर्द करू शकतात. झुवारीनगर वास्को येथील एमईएस चे मॅनेजमेंट कॉ लेज उत्कृष्ठ 'पेडेंगोजी'साठी प्रसिद्ध आहे. अर्थातच येथे बीबीए कोसेला शिकणाऱ्या विद्यार्थ्यांसाठी अभ्यास हीच एक पर्वणी असते. इनटर्नशीप असते. लॅक्चर आणि ट्युटोरीअलब्या माध्यमातून Audio-Visuals च्या माध्यमातून विषय शिकदिला

लंबोरेटरीचा उत्कृष्ठ वापत्र केला जातो. आऊटरीच ॲंक्टोबीटीसच्या माध्यमातून फिल्ड वर्क केले जातात. योकेशनल ट्रेनिंगच्या माध्यमातून इंडस्ट्रीचे ओरीयटेशन दिले जाते. वायवा ट्रेनिंगच्या भाष्यमातून आकर्षक देहबोली सभाषण कला, पुप डिस्कशन, लिडरशीपवे

ओरीयंटेशनचे कार्यक्रम आखले जातात प्रेझेंटेशनच्या विविध प्रकार तसेच सेल्फ स्टडी व ओपन मुक आन्सरींग पद्धत सुद्धा अस्तित्वात आहे. विद्यार्थी त्यामुळे विचार करून उत्तरे लिहितात आणि यानेच खरा अध्यास होतो. दुवैवाने आपली शिक्षण पद्धती पाठांतरावर आधारित आहे. ज्याची स्मरणशक्ती जास्त चांगली त्याला जास्त भार्क मिळतात व तो हुशार समजला जातो. परंतु ओपन बुक टेस्टमुळे विषयाचा गाभा समजला जातो

व्यक्तीचे या प्रकारामुळे व्यक्तिमस्वात रुपांतर होते ते याच 'पेडेंगोजी' मुळे. कारज या जगात बीबीए, एमबीए झालेल्या मुलांना नोकरी याच कौशल्याच्या आचारे मिळते व टिकते. या जगाला 'लिङस्शीप'ची गरज असते या संस्थेतून बीबीए केलेली मुले जगभरात सर्व क्षेत्रात नाव कमावत आहेत. उत्कृष्ट वेडॅगोजी होव एमइएस मैनेजमेंट स्कूलचे खरेखुरे वेगळेपण आहे.

### Discussing self and society as Kasturi Series turns one

The Kasturi lecture series, a joint collaboration between MES College of Arts & Commerce and Foundation for Environment Research and Conservation (FERC), which aims at open discussions, knowledge exchange 🎆 and sharing on various topics, turned one, with Guest of Honour Wendell Rodricks speaking about being true to one's roots

### **B&C PEOPLE**

### Welcome initiative of NSDL e-Gov and **Provident Housing for Goan students**

7th an alm to give students from economically weak background in the state access to higher education, NSDL e-Governance Infrastrucre Limited (NSDL e-Gov) in as-sociation with Provident Housing Limited, a 100% subsidiary of real estate company Puravanikara Ltd., Initiated the Provident Housing Scholarship program under its flagship online platform, Vidyasaarathi. Under the programme about 25-30 deserving students are being awarded scholarships which covers the academic course fee for the pring year. fee for the entire year.

The first conferring of scholar-ship was at two colleges, MES College of Arts & Commerce, Vasco and Goa College of Architecture, Altinho. About 13 students from MES College and 15 students from Goa College of Architecture were awarded the scholarship, which is equivalent to their academic course fee for the year 2019-2020.

Speaking on the occasion, Gagan Rai, CEO and MD, NSDL e-Governance said, "At NSDL e-Governance, our goal is to facil-

itate education financing across India thereby encouraging more and more students to dream big and work hard towards fulfilling their dream. These students from Goa are very deserving and our association with Puravankara and Provident Housing will help

them accomplish a great future."

Minol R Ajekar, head, CSR,
Purayankara added, "Vidyasaarathl is a great start to our social development plan in Goa. We at Provident, strongly believe in cre-ating a sustainable impact on the

development of communities through initiatives in education, environment, health and safety and we are delighted about our partnership with NSDL e-Gov-ernance. This association will not only achieve the goal of providing students with learning oppor tunities, but will also create conducive environments to enable higher studies without the finan-cial burden of the same. Furthermore, we are hopeful that we can make a difference to as many stu-dents as possible by fulfilling their

dreams of a higher education. We wish all students good luck for a bright future, looking forward to origin future, tooking forward to greater participation in the schol-arship program next year." The scholarship program is open to students of the two col-leges whose parent of proceedings.

leges whose parent or guardian's income is less than Rs five lakh per annum, and special preference is given to students belong-ing to tribal community. Addi-tionally, students with minimum aggregate of 50 per cent marks are eligible for the scholarship.

### MES Opens "Chrysalis" -Vasco's first Butterfly Garden

The Murgaon Education Society proudly announced the opening of their Butterfly garden- 'Chrysalis' on the 26th of January. This garden was inaugurated by the well known architect Shri Sadhale and Prof Kamat presided over the function.

The first of its kind in Vasco, the butterfly garden has been developed under the guidance of an expert team from Foundation for Environment Research and Conservation.

Butterfly gardening is a way to create, improve and maintain a habitat for butterflies, moths and skippers belonging to a common group of insects called Lepidoptera.

One can have a closer look into the lives of these beautiful insects by planting native flowering plants to provide nectar to adult butterflies and food plants for caterpillars and the adults to lay

Creating such habitats is very crucial as far as urban landscapes are concerned since many natural butterfly habitats have been lost due to human activities. Butterflies are also indicators of healthy environment and such habitats are not only important in terms of beautifying a campus but are of immerse educational value as well. The butterfly garden at the college campus aims to increase students' engagement and curiosity in the natural world The garden will provide an opportunity to everyone to be in the outdoor environment, and connect with these fascinating insects. The efforts by MES College will go a long way in sensitizing not only students, but also other visitors to the college campus about small but critical elements of nature that enrich our lives unknowingly.
