BEST OUT OF E-WASTE

The Dept. of IT had organized a "BEST OUT OF E-WASTE" competition in association with IQAC for the students of B.A. /B.COM. (Those who have offered Computer Science Subject) on 13th May 2022(Friday), from 12.35 p.m. to 1.15 p.m.

The students from the various classes took part in the competition. Altogether Nine students have registered for the event out of which five participants displayed the model in IT lab. The e-waste model was done at home and displayed in IT Lab by all participants. No ready or semi-finished model or matter was accepted from participants in the competition.

The first prize was won by: Mr. Rahul Chawan
The second prize was won by: Eliza Desouza
And the Third prize was won by: Pratham Jain

Participants were judged on the following criteria:
a) Innovation & Creativity
b) Usability/practicability of the object made
c) Overall Presentation

1st, 2nd prize and 3rd prize winners were given Trophy including certificate. All the participants were given certificate for participating.
