FOUNDER PRESIDENT

Late Shri. Vasant Rao S. Joshi

27 May 1921 to 28 December 2013

MESSAGE FROM THE CHAIRMAN

Shri. M.S. Kamat

M.E.S. College of Arts & Commerce owes its origin and growth to the pioneering spirit of a great philanthropist of Goa, Late Shri. Vasantrao Subrai Joshi whom Goans fondly called “Anna” (elder brother). In June 1972 the College opened its doors, the gateway to progress, prosperity and wellbeing of the youth of Murgaon in particular and Goa in general, in the majestic AUTO SERVICE building in the centre Vasco-da-Gama. The building which illumined the lives of so many for so long was and is owned by Anna’s family. With boundless reverence I offer my Pranams to the memory of the founder, the patron and the mentor of M.E.S. College, Late Shri. Anna Joshi. Anna ensured that education in M.E.S. will be of high quality, holistic, need based and rooted into pristine moral values. That legacy continues. Through the medium of this College Prospectus 2022-23 I join the Principal and the members of the teaching and administrative staff in welcoming all students joining the M.E.S. College to pursue their studies during the academic year 2022-23. I wish all our beloved students very successful and productive academic career and thereafter a life full of progress and prosperity.

The new year 2022-23 marks the completion of 50 glorious years of most earnestly rendered service by the M.E.S. College for the empowerment of the youth of Goa in general and of Murgaon in particular. The College management has planned to harness new technology and augment the educational infrastructure to mark the Golden Jubilee year celebration of the College. Creation of smart classroom is one such Jubilee project. This and such other projects will surely augment the ease and pleasure of teaching and learning. The Management passionately appeals to all students to make optimum use of all resources provided to them and derive maximum benefits.

Higher education is a serious exercise. It is a major determinant of the wellbeing and development of the nation. The student youth should never lose sight of the fact that they are builders of the nation which can and will be as strong and great as they decide to make it. Destiny of every nation is shaped in its classrooms and playgrounds. So my dear girls and boys, make the best of holistic, vibrant and top quality education your College is determined to give you.

During the last fifty years M.E.S. has had a glorious past, with many firsts to its credit, including winning the prestigious, special “Campus Diversity Grant” from the FORD FOUNDATION from the United States of America.

I enjoin upon the newcomers to do better and create a more glorious future for themselves and for their Alma Mater.

Shri M. S. Kamat
Chairman, Managing Committee
Murgaon Education Society

Principal

50 Years of MES

The journey of Murgaon Education Society began on 23rd August 1971, under the Chairmanship of late Shri Vasanttrao Joshi and several enlightened persons, in the Joshi building at F. L. Gomes Road, Vasco-da-Gama. It was established to serve the youth of Goa, particularly the youth from the Port Town, with affordable and high-quality education.

The College was shifted to its current campus in Zuarinagar, in June 1985. Since then, the barren Zuarinagar plateau has undergone significant transformation. With the initiation of measures like afforestation, rainwater harvesting, vermicompost and the recent installation of solar panels, the College provides an eco-friendly environment to our faculty, students and visitors.

The infrastructure of the College grew at a steady pace over the years, with the addition of new buildings and departments, to meet the needs of the growing student population and the introduction of new courses and subjects.

In order to provide quality education to the students of the Port Town, a Higher Secondary School with 4 streams: Arts, Commerce, Science, Vocational and an Institute of Management Studies were set up subsequently. The College section initially began with BA and BCOM programs but in order to meet the growing demands of the Computer Applications Course, as well as the Course in Management, the BCA and BBA (General) programs were introduced. An industry specific Diploma course in Shipping Management was instituted which has now been replaced with a Graduate degree (BBA) in Shipping & Logistics. A Postgraduate Degree, MCOM was also introduced in 2016.

Over the last 50 years, the MES College and Higher Secondary Section have grown into well-known educational institutions, being the alma mater for many young men and women from humble economic and social backgrounds. The alumni have indeed risen to great heights and excelled in fields, ranging from education to banking, business to public administration, rendering their service to society and enriching Goa in many ways.

MES College has had a smooth transition from the traditional 'chalk and blackboard' method, to the OHP method and more recently, to Audio-visual teaching and the use of the LCD Projector. The college has further advanced in terms of technological progress, with the launching of Smartboards in some classes. The College has also gone a step ahead in extending the use of the campus to the community at large. It has allowed people in the vicinity to utilize the infrastructure and facilities, such as, the Basketball court, library, etc, while also being a venue for professional examinations.

The flag of MES continues to fly high, with achievements by the Faculty in several areas of research, expertise and Co-curricular activities. Our students have excelled in terms of NSS, NCC Navy and Army, as well as in Sports.

This year, as a part of its Golden Jubilee, the College has planned several programs to celebrate this landmark moment in its history.

The road ahead for the next 50 years proves to be very promising with the help of the Management, Faculty and students.

MURGAON EDUCATION SOCIETY'S COLLEGE OF ARTS & COMMERCE, ZUARINAGAR, GOA ABOUT THE COLLEGE

Murgaon Education Society's College of Arts & Commerce is one of the premier institutions of higher education in the state of Goa. The college was founded by the great visionary and philanthropist Late Shri. Vasantrao Subrai Joshi to cater to the need of educational upliftment of youth in Vasco- da- Gama in particular and the state of Goa in general. The College premises was shifted to the present campus in 1985. Over the years, the campus has been transformed from barren, rocky and unyielding land into a lush green, fertile paradise where students aspire to pursue their higher studies.

It was one of the first composite Arts and Commerce colleges in the state of Goa to be affiliated to the University of Mumbai and then to Goa University. The college is currently offering five undergraduate programmes: B.A., B.Com., B.B.A., B.C.A., B.B.A. (Shipping and Logistics) and one postgraduate programme, namely M.Com. To cater to the requirements of the Shipping and Logistics industry, M.E.S. College introduced B.Com. (Shipping Management) which was initially funded by UGC for five years and is currently running as self-financed programme as Bachelor of Business Administration (Shipping & Logistics).

The college has a Research Centre in Sociology. At present, the college has approximately 1606 students and 60 full-time teaching faculty.
