## MESSAGE FROM THE CHAIRMAN

The new academic year 2023-24 opens new vistas of excellence in higher education in the state of Goa through the implementation of NEP 2020. The New Year holds forth the promise of a NEW DEAL in higher education as also in other sectors of education whereby the learners stand to have access to high quality, multidisciplinary and choice based education, which will be a pathway to faster progress, brighter success and sustained prosperity.

Murgaon Education Society's College of Arts & Commerce was renamed on 09th February, 2023 as Murgaon Education Society's Vasant Joshi College of Arts & Commerce. Late Shri. Vasant Joshi was the founding father of Murgaon Education Society and its College of Arts & Commerce. He stood high and tall as a humanist, a philanthropist and a visionary, with the good of the Society at large at his heart. Generations after generations of students of the College bearing his illustrious name will leave the portals of their Alma Mater with a rich package of knowledge, skills and values; and in addition, the finest qualities of head and heart which the founding father of the College steadfastly stood for.

The founding father insisted that education in our College ought to be student centric and student friendly, it should be a source of joy and a fountain of creativity. The College authorities and the staff leave no stone unturned to follow his directive in letter and spirit.

Dear students and esteemed parents, please rest assured that the New Academic Year 2023-24 will certainly be happy for the students, satisfying for the parents and rewarding for the authorities and the staff of the Vasant Joshi College of Arts & Commerce.

## 50 Years of the College

The journey of Murgaoon Education Society began on 23rd August 1971, under the Chairmanship of late Shri Vasanttrao Joshi and several enlightened persons, in the Joshi building at F. L. Gomes Road, Vasco-da-Gama. The College was started in 1972. It was established to serve the youth of Goa, particularly the youth from the Port Town, with affordable and high-quality education.

The College was shifted to its current campus in Zuarinagar, in June 1985. Since then, the barren Zuarinagar plateau has undergone significant transformation. In order to provide quality education to the students of the Port Town, a Higher Secondary School with 4 streams: Arts, Commerce, Science, Vocational and an Institute of Management Studies were set up subsequently. The College section initially began with BA and BCOM programs and expanded to a Computer Applications Course, as well as the Course in Management, the BCA and BBA (General) programs were introduced. An industry specific Diploma course in Shipping Management was instituted which has now been replaced with a Graduate degree (BBA) in Shipping & Logistics. A Postgraduate Degree, MCOM was also introduced in 2016.

With the initiation of measures like afforestation, rainwater harvesting, vermicompost and the recent installation of solar panels, the College provides an eco-friendly environment to our faculty, students and visitors. The infrastructure of the College grew at a steady pace over the years.

Over the last 50 years, the College and Higher Secondary Section have been the alma mater for many young men and women from humble economic and social backgrounds. The alumni have indeed risen to great heights and excelled in fields, ranging from education to banking, business to public administration, rendering their service to society and Goa.

The College has had a smooth transition from the traditional 'chalk and blackboard' method, to the OHP method and more recently, to Audio-visual teaching and the use of the LCD Projector. The college has further advanced in terms of technological progress, with the launching of Smartboards in some classes. The College has also gone a step ahead in extending the use of the campus to the community at large. It has allowed people in the vicinity to utilize the infrastructure and facilities, such as, the Basketball court, library, etc, while also being a venue for professional examinations.

The flag of MES continues to fly high, with achievements by the Faculty in several areas of research, expertise and Co-curricular activities. Our students have excelled in NSS, NCC Navy and Army, as well as in Sports.

The College is in its Golden Jubilee year and has been renamed as '*MES Vasant Joshi College of Arts & Commerce – Zuarinagar*', to honour the philanthropic work of our Founder, Late Shri. Vasanttrao S. Joshi.

This year with the implementation of the National Education Policy (NEP 2020), the future of education seems more innovative and flexible for the students to choose their courses.

The road ahead for the next 50 years proves to be very promising with the help of the Management, Faculty and students.

## **MURGAON EDUCATION SOCIETY'S VASANT JOSHI COLLEGE OF ARTS & COMMERCE, ZUARINAGAR, GOA ABOUT THE COLLEGE**

Murgaon Education Society's Vasant Joshi College of Arts & Commerce is one of the premier institutions of higher education in the state of Goa. The college was founded by the great visionary and philanthropist Late Shri. Vasant Subrai Joshi to cater to the need of educational upliftment of youth in Vasco- da- Gama in particular and the state of Goa in general. The College premises was shifted to the present campus in 1985. Over the years, the campus has been transformed from barren, rocky and unyielding land into a lush green, fertile paradise where students aspire to pursue their higher studies.

It was one of the first composite Arts and Commerce colleges in the state of Goa to be affiliated to the University of Mumbai and then to Goa University. The college is currently offering five undergraduate programmes in Arts, Commerce, B.C.A., B.B.A. (General), B.B.A. (Shipping and Logistics) and one postgraduate programme, namely M.Com. To cater to the requirements of the Shipping and Logistics industry, M.E.S. Vasant Joshi College introduced B.Com. (Shipping Management) which was initially funded by UGC for five years and is currently running as self-financed programme as Bachelor of Business Administration (Shipping & Logistics).

The B.B.A. (Shipping and Logistics) programme is the first undergraduate programme in India which addresses the commercial and managerial side of the shipping industry. At present, the college has approximately 1534 students and 69 full-time teaching faculty.

The college encourages high academic standards. We instil in our students a passion for learning and acquiring knowledge that they will require to make a positive contribution to the society. The college imparts learner-centric education which aims at the holistic development of the students by developing creative and critical thinking, nurturing innovations and excellence, developing professional skills etc.

At M.E.S. Vasant Joshi College, we believe in holistic education that comprises deep as well as broad academic and co-curricular exposure. Hence, academics is always complemented with co-curricular and extra-curricular activities in the campus.

In recognition of the high standards of education and the all-round excellence attained by it, the College was selected by the UGC for introducing vocational courses at the B.A. and B.Com. Degree level, and by the Ford Foundation USA for implementing its Campus Diversity Initiative Programme. The college was accredited by NAAC with a B + - CGPA of 2.68 Grade (Fourth Cycle) in the year 2021.

The College celebrated its Golden jubilee this year and it was renamed M.E.S. Vasant Joshi College of Arts & Commerce, to pay tribute to our founder Late Shri. Vasantrao Joshi (Anna).
