

7.1.4. Additional information

BOREWELL/OPEN WELL RECHARGE:

The college has three bore wells in the campus area; two new bore wells are installed one near the college canteen and the other near the college library. The new bore wells were installed on 19th May 2022. The Diameter of each new bore well is 140 MM and a depth of 80-90 m with a casing depth of 50-60 m. The bore well water is used for gardening, watering the campus trees and washroom requirements.

1. Bore Well near Library

2. Bore well near college canteen
