

Towards Differently Abled Friendly Campus

In line with our policy to create a differently abled friendly campus, we at M.E.S. College of Arts and Commerce ensure that students with special needs are placed in classrooms that are situated on the ground floor with access to ramps. In case is our student Mr. Mahesh Pagadala from BA semester III & IV. He travels by a customized two wheeler, designed to his needs. As such, we have arranged for parking in close proximity of his classroom. Secondly, the said parking is easily accessible by ramps running from the place of parking to his classroom.
