ZUARINAGAR, GOA
ACADEMIC YEAR 2020-2021**

PEER LEARNING

Peer learning has been going on informally for several years. From the academic year, 2017-18, peer learning was formalized. This is a process wherein an academically bright student teaches a group of academically weaker students. Advanced learners assist slow learners by explaining difficult concepts. A record has been maintained by the college regarding the execution and other details of peer learning. The outcome of peer learning is encouraging. During the academic year 2020-2021 due to Covid – 19 Pandemic peer learning was not feasible as the students were off the campus and were attending online classes.
