**Report - "Campus Bytes: Industry Academia Synergy in IT sector"**

**Department of Bachelors of computer application**

- **Date:** 31st January 2024 **Time:** 11.00 am – 1.00 pm
- **Platform:** Offline
- **Audience:** Students of Bachelors of computer application from our college
- **No. of participants:** 150

**Report in brief:**

The Department of computer application in association with Goa technology association had organized Campus Bytes. The theme was Industry Academia Synergy in IT sector. The event was conducted in Principal MS Kamat seminar hall from 11:00 a.m. onwards on the 31<sup>st</sup> of January, 2024. The Campus Bytes program was a resounding success, bringing together students, faculty, and IT industry experts for a day filled with insightful discussions. The event aimed to bridge the gap between academia and industry, providing a platform for students to gain valuable insights into the work life of IT jobs seekers.

The session was moderated by Mr. Yashvit Naik, the co-founder and CTO of Teknorix and vice president of GTA and our principal Dr. Manasvi M. Kamat. The panel members were Mr. Sujeet Shetty Co-founder of Team Inertia Technologies and president of GTA. Mr. Ricky Noronha, director of OPSPL. Capt. Ruchin Dayal, CEO of eDOT solutions and Mr. Kapil Dhawan, director and CTO of remote software solutions.

The Principal, Dr. Manasvi M. Kamat welcomed the gathering. She was proud to see the BCA department of our college thriving and many students wanting to join the BCA course in our college. She was pleased by the success of the events and programs conducted by the department of BCA.

Mrs. Nilam M. Shetye, assistant professor in computer application introduced the guests and welcomed them with a rose and a potted plant as a memento.

The certificates were presented by the moderator, Mr. Yashvit Naik and the panel members to the second year students who had completed a 30 hour certificate course in Data Science Using Python From 9<sup>th</sup> September 2023 to 19<sup>th</sup> October 2023. The certificate course was conducted by the Department of computer application. Mr. Rajesh Tanksali and Mrs. Sonali Karapurkar were the facilitators for this certificate course.

The program proceeded with the 2nd episode of Campus Bytes by the moderator and vice president of GTA Mr. Yashvit Naik and the panel members. They had a very deep and interactive conversation where they discussed the principles and ethics students need to have in the IT sector. This session was very helpful for the students as well as the teachers. It helped the audience to gain insight of the working world in IT. The session was filled with useful discussions that helped the students know more about the job requirements in the IT sector. Importance of team work, team management, life skills, communication skills and a few life hacks were some of the important topics discussed. The session ended with Mr. Yashvit Naik and the panel members answering a few innovative and curious questions asked by our students Ms. Hiba Shaikh, Ms. Rabiya Shaikh, Mr. Saish Bhandari and Mr. Sufiyaan Nyakodi of First year BCA. The program concluded with the vote of thanks proposed by Assistant professor of computer application Mr. Rajesh Tanksali.

The compere for the event was Assistant professor in English Ms. Mayuri M. Halarnekar, from the department of BCA. A total of 150 students from the BCA department of our college attended the program.

**ACADEMIC YEAR 2023-24**

**Report- "Vibrant Goa Global Tech Summit 2024 in Goa"**

**Department of Bachelors of Computer Application**

**Date:** 22/03/2024 to 23/03/2024      **Time:** 10:00 am – 6.00 pm

**Platform:** Offline

**Audience:** Faculty & Students of Bachelors of Computer Application from our College.

**No. of participants:** 16 (Male-9, Female-6, Faculty -1)

**Report in brief:**

The Vibrant Goa Global Tech Summit 2024, held from 22/03/2024 to 23/03/2024 in Kala Academy, Panaji-Goa, marked a significant milestone in Goa's journey towards becoming a hub for innovation and technology. With the overarching theme of "Empowering Innovation for a Sustainable Future," the summit served as a platform for industry leaders, policymakers, and entrepreneurs to converge and discuss the latest trends, challenges, and opportunities in the tech sector. Renowned keynote speakers, representing a diverse range of backgrounds and expertise, shared valuable insights on topics such as digital transformation, sustainable development, and the role of technology in addressing global challenges. From M.E.S. Vasant Joshi College, Zuarinagar, Asst. Prof. Rajesh Tanksali along with B.C.A. students had attended the Global Tech Summit on 22/03/2024.

Throughout the event, attendees participated in engaging panel discussions, workshops, and interactive sessions covering a wide spectrum of subjects. Topics included emerging technologies like AI, IoT, 3d modelling, Cyber Security and Blockchain, as well as discussions on e-governance, smart cities, and sustainable tourism. The summit's exhibition showcased innovative products, technologies, and start-up initiatives, providing a glimpse into the future of Goa's tech ecosystem.

One of the highlights of the summit was the announcement of several major initiatives aimed at fostering innovation and entrepreneurship in Goa. This included the launch of a technology incubation center to support start-ups, as well as the signing of Memoranda of Understanding

(MoUs) between local and international companies to promote collaboration and technology transfer.

The Vibrant Goa Global Tech Summit 2024 served as a catalyst for driving positive change and growth in the region's tech landscape. As Goa continues to position itself as a dynamic destination for technological innovation, the summit underscored the importance of collaboration, innovation, and sustainability in shaping a brighter future for Goa and beyond.
