The programme was specially arranged for the students of B.A., B.C om., B.B.A., B.C.A., and M.Com., to equip them with the necessary knowledge nd skills to navigate the digital world safely.

The Programme bega n with the welcome address by Principal Dr. Manasvi M. Kamat. Mrs Sanjana S Halarnkar Event Coordinator, introduced the resource persons Smt. Ranjita Pai, and Mr. Arun James. Smt. Ranjita Pai delivered the keynote address.

The primary objecti e of the programme was to educate students about the importance of Cyber Safety, the various threats prevalent in the online space, and practical measures th y can take to protect their digital identities and privacy. The session aimed to emp ower students with the knowledge to identify and respond to cyber threats effectiv ly.

The programme fea ured two distinguished resource persons Smt. Ranjita Pai, Chairperson of the Goa State Commission for Women, who emphasized the significance of cybe safety, particularly for women, and discussed the role of the Commission in addr ssing cyber-related grievances. Smt. Ranjita Pai elaborated on the legal framework in place to protect individuals from cybercrimes, and how the Goa State Commis ion for Women assists victims of cyber harassment. She encouraged student to report any incidents of cybercrime to the authorities.

without hesitation. Mr. Arun James, Centre In-Charge of the Cyber Wellness Center, provided an in-depth analysis of the current cyber threat landscape, common tactics used by cybercriminals, and best practices for ensuring online security.

The programme concluded with an interactive Q&A session, where students actively participated and sought clarification on various aspects of cyber safety. The resource persons provided detailed answers and further guidance on staying safe online.

The Programme concluded with vote of thanks by Mrs Sandiya Stefi Dourado, Event Co-coordinator.

Co-ordinator Remark: The Awareness Programme on "Cyber Safety" held on 30th August 2024 was an outstanding success, thanks to the collective efforts of the Women's Cell "Jyoti", the Department of Information Technology, and the Internal Quality Assurance Cell (IQAC). The collaboration with the Goa State Commission for Women and the Cyber Wellness Center brought immense value to the event, providing students with crucial knowledge on a highly relevant topic.

The active participation from students across various streams demonstrated the significance of the issue and their eagerness to learn more about protecting themselves online.

Overall, this event achieved its primary objective of raising awareness about cyber safety and empowering students with the knowledge to navigate the digital space securely. It was a well-organized, informative, and engaging programme that will surely leave a lasting impact on the attendees.
