VASANT JOSHI COLLEGE OF ARTS & COMMERCE

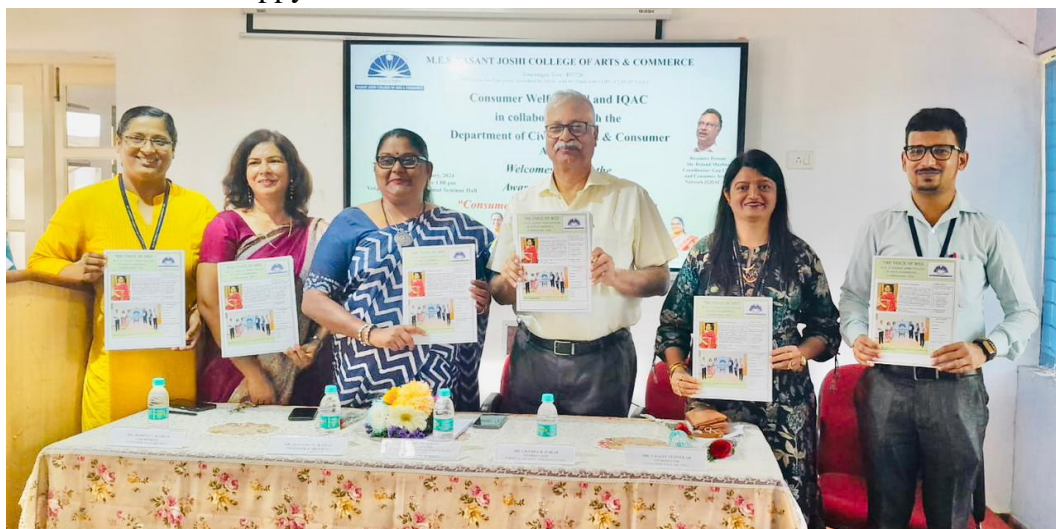

Dear readers and stakeholders,

Greetings and warm wishes. We have begun our even semester, which also happens to be the semester where maximum intercollegiate and intracollegiate activities take place. This semester is also the one where we plan for the forthcoming academic year and with NEP taking off with gusto and entering the second year, our planning has to be meticulous and efficient.

As always, the college had some milestones in terms of activities - we organised an International Conference in collaboration with our MOU partner, Poona College of Arts, Science & Commerce, Pune where faculties of both colleges participated with enthusiasm. Our college also conducted several programs with funding from the Directorate of Higher Education (DHE), which is a wonderful feather on our cap! Please stay hydrated and cool during the summer.

I hope you enjoy perusing our newsletter.

Best wishes and happy times!
