- **Date:** 18th March 2025
- **Time:** 9:15 AM onwards
- **Venue:** Principal M.S Kamat Seminar Hall.
- **Resource Persons for the session:** Mr. Palli Sri Praneeth – AI Engineer, Technical Trainer, and Writer (Quantomics.AI)
- **Audience:** Students of B.Com, Semester II & IV
- **No. of participants:** 94 (33 males & 61 females)

Report in brief: The Department of Information Technology and Training, Internship, and Placement Cell in association with IQAC, organized a session on "AI Learning Tools" for students of B.Com. Semester II & IV. The session aimed to introduce students to the significance of Artificial Intelligence (AI) in learning and how AI-based tools can be leveraged to enhance academic and professional skills. The session began with a warm welcome by Mrs. Shivani Shirodkar coordinator of Training, Internship and Placement Cell, Associate Professor in Economics, who set the tone for the event. Shri Sandeep M. Kadam, Head of the Department of IT, introduced the resource person, Mr. Palli Sri Praneeth, highlighting his expertise and experience in AI. The Vice Principal Mrs Rochana Kharangate was also present, adding significance to the session.

The resource person, Mr. Palli Sri Praneeth, an expert in AI, delivered an insightful and engaging session, ensuring that students gained practical knowledge and exposure to cutting-edge AI applications. During the session he introduced the students to various AI learning courses available online and emphasized the importance of acquiring AI skills through structured courses and recommended several reputable platforms offering AI certifications. Mr. Praneeth encouraged the students to register for these courses to enhance their understanding of AI concepts and gain practical experience, which would benefit their academic growth and future career prospects.

The session was very interactive and concluded with a vote of thanks by Mrs. Sandiya Stefi Dourado, the Event Coordinator expressing gratitude to the resource person, participants, and organizers.

Remarks of the Coordinator: The "AI Learning Tools" session was a valuable initiative that introduced students to AI-driven educational courses. The enthusiastic participation of students reflects their interest in emerging technologies. We are confident that this session has provided them with a strong foundation to explore AI further in their academic and professional journeys.
