- **Report in brief:**

The Department of Economics, and the Department of Information Technology in collaboration with IQAC of the College, jointly organized a live streaming session of the Union Budget 2025 at the IT Lab on February 1<sup>st</sup>, 2025. This event was held as part of the institution's SDG-compliant initiatives, focusing on SDG 4: Quality Education.

Dr. Manasvi M. Kamat, Principal and Professor, addressed the gathering and highlighted significant aspects of the Union Budget. Her address emphasized key areas such as education reforms and taxation policies proposed in the budget. The principal's insightful observations provided valuable context for the participants, fostering a better understanding of the budget's implications.

The session commenced at 11:00 AM and saw a participation of 23 students, including 3 boys and 20 girl students. Several faculty members attended the session, including Assistant Professors; Dr. Rajesh Shetgaonkar, Dr. Hussain Yasser Razak, Dr. Rohita Kamat, Dr. Deepak Gosavi, Asif Shaikh, and Huzaiifa Shaikh from the Department of Economics. From the Department of Information Technology, Associate Professor Sandeep M. Kadam and Assistant Professor. Sandiya Stefi also participated actively in the event.

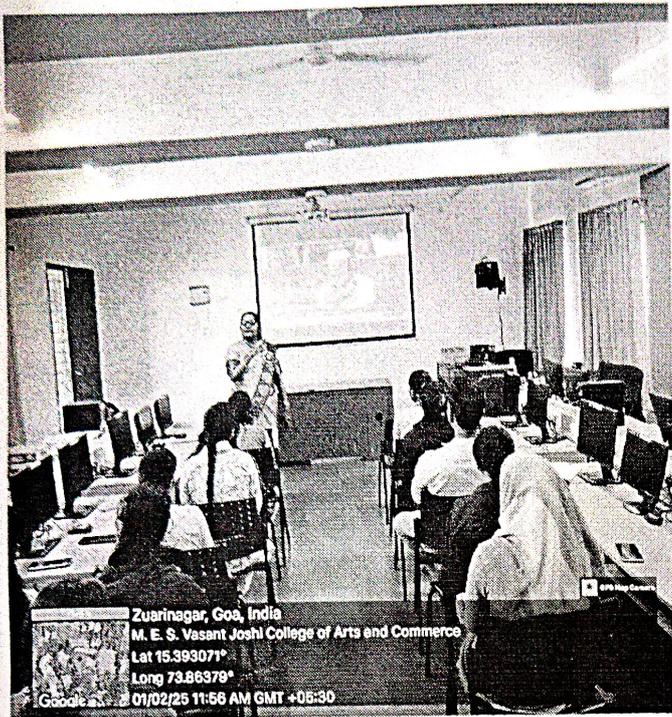

During the session, students were encouraged to take down key points and observations from the live screening to facilitate a deeper understanding of the budget announcements.

This collaborative initiative between the Departments of Economics and Information Technology successfully fulfilled its objective of enhancing students' awareness of national economic policies and their practical implications. The session was a step forward in promoting quality education and engagement with real-world economic developments.

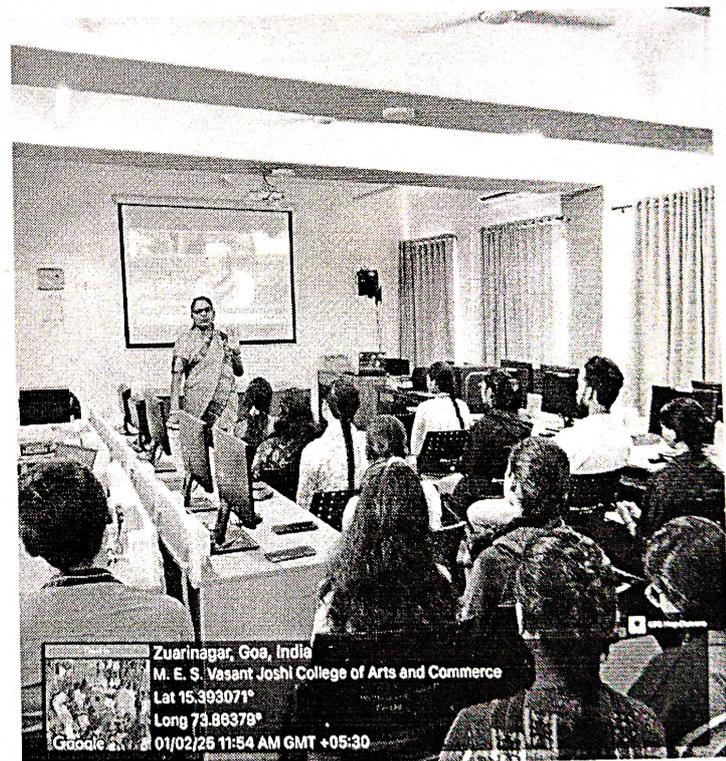

The session concluded at around 12:15 PM, providing participants with valuable insights into the Union Budget and its impact on India's economy.

**Remarks:** The session on the Union Budget 2025 offered valuable insights into key economic reforms, encouraging student engagement and awareness of national policies. It was a successful joint effort between the Departments of Economics and Information Technology.
