2) National Level Inter – Collegiate Event MONETA 2024

An Annual National Level Inter-Collegiate event – Moneta 2024 was organized by R. A. Podar College of Commerce and Economics – Autonomous, Mumbai from 12th to 14th December, 2024. This event is the India's largest financial market-based event.

9 B.Com. students, 1 BCA student, 1 BBA student, and 7 M.Com. students participated in the event. The aim was to motivate students to participate in the national level event and thus, provide a platform for them to highlight and enhance their skills and knowledge.

M.Com. students won the PG Trophy Moneta 2024, becoming the overall winning team of Moneta 2024 in Post Graduates category.

UG team comprising of B.Com., BBA and BCA students secured second place in Code Cruxx, second place at Merchant in Making, and third place in Beyond D Street.

The event provided good exposure to students. There were events where they had to come up with their own website created with the help of coding, business idea and pitch about the same to the judges, present a detailed case study analysis and find out errors and suggest measures, solve clues, puzzles, case studies to answer the quiz, and analyze the financial statements of different companies and make investments according to the clients. There was a flagship event where the students were given exposure to virtual trading world to understand and experience how the real-life trading takes place. Overall, our students learned a lot from the event.
