**PRINCIPAL'S REPORT
2024-25**

It is with great pleasure that I present the Annual Report for the academic year 2024-25 of M.E.S. Vasant Joshi College of Arts & Commerce. This year has been a meaningful journey of learning, effort, and shared achievements, made possible through the dedication and cooperation of our students, teaching faculty, non-teaching staff, and management.

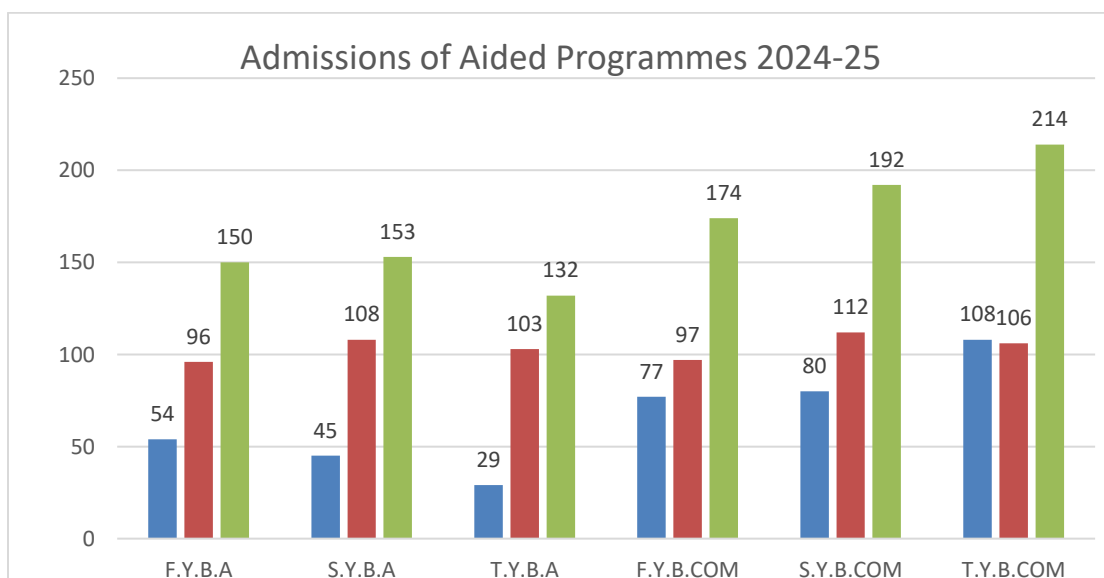

Throughout the year, the college continued to uphold its commitment to quality education while creating opportunities for students to grow academically, culturally, and socially. Our classrooms, departments, committees, and student bodies remained active and vibrant, contributing to a campus environment that encouraged curiosity, responsibility, and creativity. The achievements recorded in this report stand as a testament to the collective hard work and perseverance of everyone associated with the institution.

The academic year 2024-25 also witnessed enthusiastic participation in co-curricular and extracurricular activities, including academic programmes, cultural events, sports, outreach initiatives, and skill-oriented activities. These experiences have played an important role in shaping well-rounded individuals prepared to meet the challenges of a changing world.

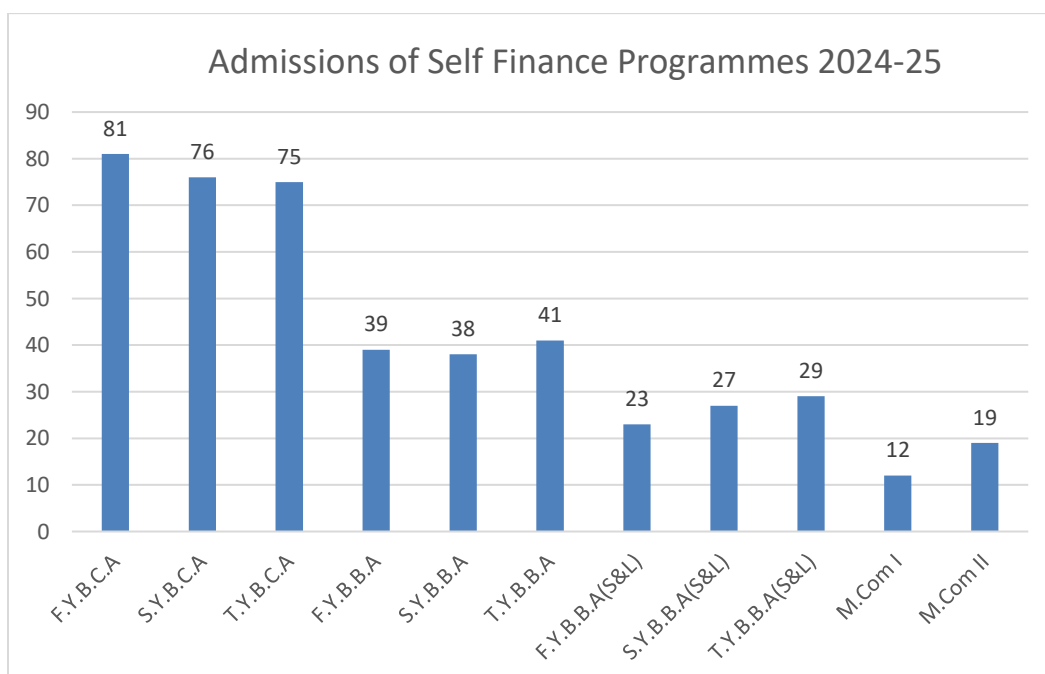

I sincerely express my gratitude to the Managing Committee of Murgaon Education Society for their continued guidance and support. I also thank the faculty and staff for their commitment, and our students for their energy, discipline, and enthusiasm, which remain the true strength of our college. With the blessings of Lord Damodar, we look forward to building on our achievements and continuing our journey towards excellence. This annual report reflects our shared efforts and accomplishments during 2024-25, and I hope it fills every member of our college community with a sense of pride.

The academic year 2024-25 marks another meaningful phase in the continuous development of M.E.S. Vasant Joshi College of Arts & Commerce. The activities and outcomes recorded in this report reflect the institution's sustained efforts towards academic quality, effective governance, and student-centred practices.

During the year, the college focused on strengthening teaching-learning processes, encouraging student participation in academic and co-curricular activities, and promoting institutional responsibility towards the community. The coordinated functioning of departments, committees, and support services has contributed to the smooth conduct of academic and administrative activities.

I sincerely acknowledge the guidance and support of the Managing Committee of Murgao Education Society, whose leadership remains central to the institution's progress. I also appreciate the dedicated efforts of the teaching and non-teaching staff, and the active involvement of our students, who continue to uphold the values and discipline of the college.

As we move forward, the institution remains committed to continuous improvement, innovation in academic practices, and inclusive growth. With the blessings of Lord Damodar and the collective support of all stakeholders, the college looks ahead with confidence towards achieving its academic goals and societal responsibilities.
