The sessions enabled students to develop a stronger understanding of identifying and preventing online threats, safeguarding personal information, and using digital platforms responsibly. The sessions, effectively raised awareness about the risks of technology misuse and motivated students to adopt responsible digital practices.

Overall, the Cyber Safety Awareness Sessions proved to be highly successful. The sessions not only achieved the goal of promoting cyber safety awareness but also encouraged ethical, safe, and responsible online behavior among students. The Department of IT deserves commendation for organizing such a timely and impactful initiative that enhances student well-being and institutional quality. The college also extends its appreciation to Rohan Kolkar, the resource person, along with his team from Cyber Yodhas—Ms. Vaibhavi Sawant, Ms. Sachi Naik, Mr. Mohammed Sameer, and Rajsab Sayyed—for their valuable contribution. The overall programme was coordinated by Shri. Sandeep M. Kadam, Head, Department of Information Technology.
